

Meeting Notes 14.01.2022

Facilitator: Alexander Wiegel

Objective: Weekly team meeting

Meeting Date: 14.01.2022

Start time: 3:30 pm

End time: 5:40 pm

Attendees

- Alexander Wiegel
- Huzaifa Huzaifa
- Shazeem Ashar

Meeting Notes

Agenda

- Huzaifa will show us how to use the APIs
- We will discuss how the feed response should look like
- Shazeem will show his work on the Login/Registration

Decisions

Backend:

- in the feed, we will display a user's three biggest nests
- when making a nest public or private, all the nest items inside that nest will be set to the respective value as well and newly created items will be public or private by default as well

Frontend:

- Shazeem will think about
 - using the MagpieFormField Alex created
 - adding toasts to the login/signup screen
 - adding a hide/show button to the password fields

Next Steps (can always be seen on Trello)

- Shazeem and Alex will continue working on their parts of the frontend and use the APIs
- Huzaifa will continue working on the feed and messaging APIs
